Dear Parents/Carers,

The sun has finally appeared which is lovely! We have had another exciting month with lots of visitors and sports taking place. Two weeks ago, we welcomed visitors from Pearl Hyde Primary School. They brought the 'Flame of Friendship' and were welcomed into school by every class from Phoenix Nursery through to Year 6. We waved flags, sang and danced and celebrated meeting new friends!

The following Monday, our Young Ambassadors walked to St Peter and Paul Academy, where we were welcomed with confetti canons and cheering! We handed the torch to their School Council and returned to school. All of our children were excellent ambassadors on both days. Hopefully they will remember the day the 'Flame of Friendship' arrived when they are much older.

## Behaviour and Personal Development.

Over the last two weeks, we have had a variety of different visitors in school. All of these visitors have taken the time to comment on the excellent behaviour and attitudes to learning our children have. Well done Wyken Croft!

## Staffing

Congratulations to Miss Brown who was appointed as Assistant Head teacher for KS1 this week. Miss Brown is an outstanding teacher who knows our children very well. I know she is looking forward to taking up her new role at the start of next term.

## St Mary's Guildhall

Our Coventry Young Ambassadors will be taking part in the takeover event at the Guildhall today. We will be there helping with visitors and delivering activities from 10am. The Guildhall is an extremely interesting, historical building. There will be a warm welcome for all visitors and it would be lovely to see lots of Wyken Croft families - prices and info can be found on the St Mary's Guildhall website.

## Year 6

Our Year 6 children will be busy next week, as we begin SATS week in school. We would like to wish them lots of luck for next week. Today we celebrated each and every one of them in Assembly. We know they are a wonderful group of children with so many different skills and talents. They have so much to offer and we are very proud of them!

## Year 5

Our Year 5 children raised a total of £88.65 from our fundraising project making and selling rainforest animals. This was part of the design and technology project and the children voted for the money to go to the Rainforest Trust UK charity. Please see the Year 5 page on the school website for further information
